#### **SPORT HORSE IN HAND CLASSES**

Exhibitors in Sport horse in hand classes will be assigned times to present their horses to the judge. Times will be assigned in Class order and will be posted no later than the morning of the competition. Exhibitors will be expected to be there when their class is called. In the event of a class conflict, the exhibitor will notify the Sport Horse Coordinator or the In-Gate Volunteer **in advance**. The Sport Horse in Hand Class Card will be held open until the exhibitor can complete their class in the other ring and bring their horse to the Sport Horse Arena to compete. Sport Horse In Hand presentations to the judge(s) will be scheduled wherever practicable so that the horse does not have to go back and forth to the barns. The schedule will be available in the show office and posted at the Sport Horse Office. Two triangles will be used and horses will enter at the end gate nearest their triangle.

#### SPORT HORSE IN HAND CLASSES

Exhibitors in Sport horse in hand classes will be assigned times to present their horses to the judge. Times will be assigned in Class order and will be posted no later than the morning of the competition. Exhibitors will be expected to be there when their class is called. In the event of a class conflict, the exhibitor will notify the Sport Horse Coordinator or the In-Gate Volunteer in advance. The Sport Horse in Hand Class Card will be held open until the exhibitor can complete their class in the other ring and bring their horse to the Sport Horse Arena to compete.

### Saturday April 30 - 12:30 pm - Ring 5A

Sport Horse In Hand presentations to the judge(s) will be scheduled wherever practicable so that the horse does not have to go back and forth to the barns. The schedule will be available in the show office and posted at the Sport Horse Office. Two triangles will be used and horses will enter at the end gate nearest their triangle.
